

Appl. No.: 10/803,768  
Reply to Office action of July 5, 2006

**REMARKS**

Reconsideration of this application is respectfully requested. Claims 1-6 have been withdrawn from consideration, and Claims 7-9 and 12-16 have been cancelled. Claims 10 and 11 remain in this application.

**Conditionally Allowed Claims**

Applicant acknowledges with appreciation the Examiner's conditional allowance of Claim 11 if rewritten in independent form. As such, Claim 11 has been rewritten in independent form, including all the limitations of base claim 7 from which it directly depends, and thus, Claim 11 is now in condition for allowance. Such action is respectfully requested.

**Claim Rejections**

Claim 10 has been amended to depend from amended Claim 11. Accordingly, Claim 10 defines patentable subject matter and is in condition for allowance for at least the same reasons. Such action is respectfully requested.

It is believed that this application now is in condition for allowance. Further and favorable action is requested.

The Patent Office is authorized to charge or refund any fee deficiency or excess to Deposit Account No. 04-1061.

Respectfully submitted,

**DICKINSON WRIGHT PLLC**
